

## **SETTLEMENT AGREEMENT AND RELEASE**

This Settlement Agreement and Release is entered into by and between plaintiffs Jill Miller, Paul Miller, Georgia Gebhardt, Benjamin Richter (the “Named Plaintiffs”), on behalf of themselves, and all others similarly-situated (collectively, “Plaintiffs”) and defendants Willmark Communities, Inc. (California corporation), Alpine Creekside, Inc. (California corporation), Alpine Woods Apartments, Inc. (Delaware corporation), Alpine Woods, Inc. (California corporation), La Jolla Nobel, L.P. (California corporation), La Jolla Nobel I, Inc. (California corporation), MS North Park Properties, Inc. (California corporation), Pavlov, Inc. (California corporation), Pavlov, Inc. (Delaware corporation), Prominence Willmark Communities, Inc. (California corporation), Rancho Hillside, Inc. (California corporation), Shadowridge Park, Inc. (Delaware corporation), Shadowridge, Inc. (California corporation), SM Prominence, Inc. (California corporation), Willmark Communities UTC Finance 1, Inc. (Delaware corporation), Willmark Communities UTC Finance 1, Inc. (California corporation), Mark Steven Schmidt, an individual, and Mark S. Schmidt, as Trustee of Mark S. Schmidt Trust UDT 2/5/92 (collectively, the “Defendants”). The Plaintiffs and Defendants are collectively referred to in this Agreement as the “Parties,” and each as a “Party.”

### **RECITALS**

On May 26, 2015, the initial complaint in this lawsuit (the “Complaint”) was filed against Defendants in the action styled, *Davis Parker, et al., v. Mark Steven Schmidt, et al.*, San Diego Superior Court Case No. 37-2015-00017514-CU-FR-CTL. The most recent version of the Complaint is the Second Amended Complaint (the “SAC”), filed on July 1, 2016.

The Parties participated in extensive mediation efforts with several neutrals, including multiple sessions with mediator James Roberts from approximately April 2017 through May 2018. With the assistance of mediator Roberts, the Parties reached a settlement in May 2018. Nothing stated herein is intended to, or shall be construed as, a waiver of the mediation privilege.

Taking into account the burdens and expense of litigation, including the risks and uncertainties associated with protracted trials and appeals, the Parties independently have concluded that the substantial benefits provided in this Agreement are in the best interests of the Named Plaintiffs, Class Members and Defendants.

Defendants have denied and continue to deny each and every claim and contention alleged against them in the Action. The Parties intend to resolve the Action and settle all claims asserted in the lawsuit by Plaintiffs in accordance with the terms and conditions set forth in this Agreement.

### **STATEMENTS OF POSITION**

The statements set forth below represent each side’s respective position on the litigation and this Settlement only. The position statement of one side shall not be attributed to and are not accepted by the other side.

### Plaintiffs' Statement

Plaintiffs' counsel are pleased that this three-year litigation has been settled for consideration worth over \$4.75 million.

This case concerns approximately 3,500 former tenants in buildings managed and owned by Defendants.

Plaintiffs' view is that Defendants violated California law in several respects in the handling of security deposits, costing its tenants more than one million dollars in security deposits. In addition, many former tenants were billed for improper move-out expenses totaling more than their security deposits. Some tenants paid, suffering an additional loss, while others did not, generating an alleged debt to Defendants which was often reported to credit agencies. In addition to a cash payment, all of these debts are being erased by the Settlement.

Plaintiffs view many of the move-out charges imposed on the former tenants as unenforceable and/or not properly documented under California law. Invoices and receipts were not provided, although they are required by law. Reconciliations were not provided within 21 days for some move-outs, although required by law, and in some cases were backdated. Disputed debts were reported to credit agencies as undisputed. Deductions were made from security deposits for categories of charges that cannot be deducted from security deposits under California law. Plaintiffs sought additional damages beyond the amount of these charges because, in Plaintiffs' view, Defendants' conduct warranted such relief under California Civil Code Section 1950.5(l) .

From Plaintiffs' perspective, Defendants' settlement proposal for an independent file-by-file review was impractical and would take longer than a full trial on the merits. Among other problems, Defendants' approach ignored Plaintiffs' claims that Willmark's documentation and other procedures violated the law. Further, Defendants' approach did not address Plaintiffs' claims for additional damages beyond the deposits.

Defendants' assertion that only four tenants agreed to serve as Named Representative Plaintiffs ignores how a class action works, and also does not account for the numerous tenants who sent complaint letters to Willmark, the tenants who took Willmark to Small Claims Court, and others who contacted Plaintiffs' Counsel and offered to assist in the litigation as needed.

The Settlement, like any settlement of a lawsuit, is a compromise. It provides for substantial repayment of security deposit money taken by Defendants, and extinguishes all of the debts these former tenants purportedly owe to Defendants. Defendants have already responded to this lawsuit by changing some policies regarding security deposits. In addition, the Settlement requires Defendants to continue to take affirmative steps to comply fully with California laws regarding move-outs in the future. Plaintiffs believe that this is a fair overall settlement of the dispute and gets the tenants a repayment and debt relief faster than a trial could. It also gets current and future tenants a promise of fair treatment going forward.

### Defendants' Statement

Defendants deny that they engaged in any illegal, wrongful or unethical conduct with respect to the allegations in this case or otherwise. For decades, Defendants have provided quality residential facilities to the San Diego community with systems in place to ensure compliance with landlord/tenant

law. In Defendants' view, Plaintiffs' allegations are unsubstantiated. The allegations contain incorrect and misleading statements asserted as "facts," but which in reality, are simply not true. In addition, Plaintiffs' claims are based on their interpretation of alleged technical violations of the landlord-tenant statute, such as whether Defendants provided sufficient documentation to support move-out charges that are permitted by law.

No court has ruled that Defendants' charges were incorrect or improper, and no court has certified a litigation class in this case. If this case was tried, Defendants firmly believe that Plaintiffs' claims would have been rejected by the Court.

This lawsuit was filed in May 2015. After three years of litigation, only four tenants (from over 3,500) joined the lawsuit as named representative plaintiffs. Although Plaintiffs contend other tenants supposedly offered to support their claims, none of them have gone on the public record or joined as representative plaintiffs in the lawsuit. On the other hand, thousands of tenants have never challenged Willmark's charges or procedures. To date, Defendants have been provided with no tangible evidence or credible testimony that demonstrates illegal, wrongful or unethical conduct as to the four Named Plaintiffs or any other tenant.

Defendants' policy has always been to comply with the law and treat tenants fairly. From the outset of this lawsuit, Defendants have been an open book and advocated that truth should prevail, and that there should be an independent forensic audit by a third party on a file by file basis, at no expense to the tenant. If any overcharge was found, Defendants would make a full refund to the tenant and make everyone whole. However, Plaintiffs declined to accept this approach.

It is with great reluctance that Defendants have agreed to settle this case. As occurs with class actions filed by attorneys against business targets, Plaintiffs' lawsuit has imposed substantial financial burdens on and disruption to Defendants' businesses. Defendants have paid substantial legal fees to defend the lawsuit to date, and would incur significant additional attorneys' fees and costs if the lawsuit was tried to verdict. Even though Defendants expect to prevail in a trial they would be unable to recover their legal fees from Plaintiffs or their lawyers. Litigation in these matters is therefore inequitable and unjust. Defendants' decision to settle should in no way be construed as an admission of guilt, wrongdoing or fault. Defendants wish to have peace, avoid the distraction of further litigation, and instead focus on providing quality housing to San Diego residents.

### **TERMS OF SETTLEMENT**

In exchange for the mutual covenants and promises contained herein and other good and valuable consideration the sufficiency of which is hereby acknowledged, and the entry by the Court of a Final Approval Order finally certifying a class for settlement purposes, and approving the terms and conditions of the Settlement as set forth in this Agreement under California Code of Civil Procedure Section 382 and California Rules of Court, Chapter 6, Rules 3.769 et seq., as applicable, the Parties agree as follows:

## **2. Settlement Class Defined.**

2.1 Without admitting that a class otherwise exists and without any concession that the requirements of Section 382 of the California Code of Civil Procedure or any other applicable law are satisfied, the Parties agree to certification of a class action strictly for purposes of this Agreement. In this respect, solely for purposes of this Agreement, the Parties agree that the Settlement Class is defined as:

All persons who were identified as a lessee, co-lessee or signer on a lease agreement or Final Account Statement at any Willmark Property and (i) moved out of his, her or their rental unit on any date from May 26, 2011 through and including June 30, 2016; or (ii) received a Final Account Statement pertaining to a tenancy at a Willmark Property that terminated on any date from May 26, 2011 through and including June 30, 2016.

The following are excluded from the Settlement Class:

- (i) the judge assigned to this case and his staff;
- (ii) Defendants and their affiliates; and
- (iii) any person employed by any Defendant during the Class Period.

2.2 If there is a question raised as to whether a person is a Class Member within the above definition, the Administrator shall promptly contact Class Counsel and Willmark, who in turn shall conduct a reasonable search of available records to attempt to resolve the question.

2.3 Defendants’ agreement to certification of the Settlement Class is conditioned upon the Court’s entry of a Final Approval Order granting final approval of this Settlement and passage of the Effective Date. Defendants shall retain the right to oppose the certification of any class for purposes of further litigation, including trial, in this Action in the event the Court does not approve this Agreement or the Effective Date does not pass for any reason, without limitation.

## **3. Preliminary Approval.**

3.1 The Parties shall apply to the Court for entry of the Preliminary Approval Order, which shall:

3.1.1 preliminarily approve the Settlement and this Agreement, subject to the right of Participating Class Members to be heard at the Final Approval Hearing;

3.1.2 certify the provisional Settlement Class;

3.1.3 approve the Class Notice and the Claim Form, and approve any publication, postcard, website or other form of the Class Notice;

3.1.4 direct that the Administrator mail, publish and post the Class Notice, or cause the Class Notice to be mailed, published or posted, in the manner described in this Agreement;

3.1.5 set a date for the Final Approval Hearing;

3.1.6 provide that any objection to the Settlement shall be filed and served no later than 60 calendar days after the Class Notice Date; and

3.1.7 provide that the deadline for Class Members to exclude themselves from the Settlement shall be 60 calendar days after the Class Notice Date.

#### **4. Class Notice.**

4.1 Within 30 calendar days after the execution of this Agreement by all Parties, Willmark shall exercise best efforts to provide to Class Counsel the FAS Information for all Class Members.

4.2 Within 20 calendar days of entry of the Preliminary Approval Order, or within 30 days of receipt of the information required by Section 4.1, whichever is later, Class Counsel shall provide the Administrator with a spreadsheet listing each Class Member's last known address according to the FAS Information provided by Defendants, or more up-to-date information if possessed by Class Counsel, and provide a copy of the spreadsheet to Defendants' Counsel. The Administrator will then make reasonable efforts using a national address database to trace, identify and obtain any updated addresses for Class Members. All information provided by Defendants under this Section shall be maintained as confidential and used solely for the purpose of providing Class Notice or, if necessary, enforcing this Agreement.

4.3 Within a reasonable time from receipt of the spreadsheet listing each Class Member's last known address, not to exceed 60 calendar days after the Preliminary Approval Date, the Administrator shall send by first-class mail a Class Notice and Claim Form to each identified Class Member at their last known address according to Defendants' business records, or to the extent applicable, to their updated address.

4.4 Within 7 calendar days after the completion of the mailing of the Class Notice and Claim Form, the Administrator shall arrange for publication of a summary of the Class Notice in accordance with the notice plan approved by the Court. Subject to the Court's approval, the notice plan shall include notice in the San Diego Union Tribune and North County Times. Within 7 calendar days after the completion of the mailing of the Class Notice and Claim Form, the Administrator shall also post the Class Notice on the settlement website established by the Administrator. The costs of publication notice will be paid by the Administrator out of the Class Fund.

4.5 If a mailed Class Notice is returned, the Administrator shall take reasonable steps to attempt to locate a better mail or email address. The Administrator shall promptly advise Class Counsel of any returned mail and, if the Administrator has been unable to locate an updated address, request that Class Counsel search their files for any contact information regarding the Class Member(s) in question.

4.6 Before the Final Approval Hearing, Class Counsel shall file a declaration from the Administrator confirming the Class Notice Date and compliance with the requirements of this Agreement.

## **5. Objections to Settlement.**

5.1 Any Class Member who wishes to object to or oppose the fairness, reasonableness or adequacy of this Settlement, or of the payment of the Attorneys' Fees and Litigation Expenses Payment and/or service award to Plaintiffs, must serve upon Class Counsel and Defense Counsel, and must file with the Court, no later than 60 calendar days after the Class Notice Date, a written statement of his or her objection, as well as the specific reason(s), if any, for such objection, including any factual and legal support the Class Member wishes to bring to the Court's attention in support of the objection. The objection shall identify the unit in which the objector resided, and dates. Class Members may, but need not, hire an attorney at their own expense to assist and represent them in objecting. Class Members who opt out cannot also object to the Settlement.

5.2 Class Members who intend to appear and be heard at the Final Approval Hearing shall be required to so state in connection with their objection. The deadline for objections will be conspicuously listed in the Class Notice.

5.3 Class Counsel and Defense Counsel may file and serve a written response to any objection(s) filed and served by any Class Member. Any written response shall be filed with the Court, and served upon the Class Member or Class Member's attorney, if any, not later than 5 court days before the Final Approval Hearing.

5.4 The Final Approval Hearing will be the only opportunity for any Class Member who objects to the proposed Settlement, or to the Attorneys' Fees and Litigation Expenses Payment, or payment of the Administration Expenses, or service awards to the Named Plaintiffs, to appear in person and be heard. Any Class Member who fails to object in this manner or in writing shall be deemed to have waived such objection and shall forever be barred from raising such objection in this or any other action or proceeding.

## **6. Exclusion from the Settlement.**

6.1 Any Class Member who does not want to participate in the class action and the Settlement may exclude himself or herself from the case and the Settlement by mailing a written Request for Exclusion to the Administrator on or before the date that is 60 calendar days after the Class Notice Date. Absent relief from the Court, Class Members who do not timely exclude themselves shall be bound by the terms and conditions of this Agreement and the Final Approval Order.

6.2 For Households with more than one Class Member, the following provisions shall apply: (a) a Request for Exclusion by one or more Class Members within the Household shall not preclude other Class Members within that Household from remaining in the Settlement as Participating Class Members, subject to the provisions of section 9.3.2 below; (b) all Class Members within a Household who do not timely mail a Request for Exclusion shall be bound by the Settlement even if other Class Members within that Household have opted out of the Settlement; and (c) Defendants shall retain all rights and defenses with respect to any Class Member(s) who have mailed a Request for Exclusion, including

without limitation, the right to assert a pro-rated amount of any Defendants' Claim applicable to the Household in question.

6.3 A Class Member who timely complies with the exclusion procedures set forth in this Section shall be excluded from both the class action and the Settlement, shall have no standing to object to or otherwise be heard by the Court and/or on appeal with respect to any aspect of this Agreement, and shall be ineligible for any benefits under this Agreement.

6.4 Absent relief from the Court, any Request for Exclusion that fails to satisfy the requirements set forth in this Section, or that has not been timely postmarked, shall be deemed ineffective and any person included within the Settlement Class who does not properly and timely submit a Request for Exclusion shall be deemed to have waived all rights to opt-out and shall be deemed a Participating Class Member for all purposes under this Agreement.

## **7. Final Court Approval.**

7.1 The Final Approval Hearing shall be set for a date that is at least 15 calendar days after the last day for any Class Member to exclude himself or herself from the Settlement or to file an objection to the Settlement. The dates for filing and service of moving, opposition and reply briefing on the motion for final approval shall be set by the Court at the preliminary approval hearing.

7.2 If the Court does not grant the motion for entry of the Final Approval Order, the Administrator shall notify all Class Members of the Court's ruling within 30 calendar days of the Court's ruling, unless the Parties reach some different agreement or the Court orders other timing for such notice.

## **8. Right to Terminate Agreement.**

8.1 Defendants may unilaterally, in their sole discretion, withdraw from and terminate this Agreement by providing written notice of termination to Class Counsel if more than three hundred (300) Class Members timely elect to opt-out of the Settlement (through the Request for Exclusion procedure). Notice of termination under this paragraph shall be provided on or before 15 calendar days of Defendants' receipt of final written notice from the Administrator that the opt-out number has exceeded 300 Class Members, or shall be deemed waived. Class Members who declined to allow their contact information to be shared with Class Counsel pursuant to prior *Belaire-West* notification shall not be deemed opt-outs to the Settlement, but rather, shall receive the Class Notice and an opportunity to opt-out of this Settlement.

8.2 Any Party may terminate this Agreement by providing written notice to the other Parties hereto on or before 10 calendar days of either of the following events:

8.2.1 The Court declines to enter a Preliminary Approval Order that conforms in material respects to Exhibit 3 hereof; or

8.2.2 The Court declines to enter a Final Approval Order conforming in material respects to Exhibit 4, or if entered, such Final Approval Order is reversed, vacated, or modified in any material respect by another court, except as provided for herein.

8.2.3. If the Court indicates in declining to enter either Preliminary or Final Approval that it would reconsider the motion with modifications, or if an appellate order reversing, modifying or vacating the order of approval is remediable in the Superior Court, the Parties shall first have 30 days to consider such proposed modifications or remedies, after which the above-referenced 10 day notice period shall begin to run.

8.3 If Defendants fail to make any payment due under this Agreement, Class Counsel may unilaterally terminate this Agreement or seek specific performance of this Agreement, at their option.

8.4 If this Agreement terminates or is terminated for any reason, all Parties shall be restored to their respective positions immediately prior to the date of execution of this Agreement, and shall proceed in all respects as if this Agreement and any related Court orders had not been made or entered. Upon termination, this Agreement shall otherwise be null and void, except only for sections 2.2 (settlement class conditional), 8.5 (Administration Expenses) and 16 (no admission of liability), which sections shall survive and be binding on the Parties.

8.5 If this Agreement terminates or is terminated for any reason, within five business days after written notification of such termination is sent by Defense Counsel or Class Counsel to the Administrator, the Cash Payment (including accrued interest), less only the Administration Expenses actually incurred or due and payable, shall be refunded to Defendants. In such event, Defendants shall be entitled to any tax refund owing to the Settlement Fund. At the request of Defendants, the Administrator shall apply for any such refund and pay the proceeds, after deduction of any fees or expenses incurred in connection with such application(s) for a refund, to Defendants.

## **9. Cash Payment.**

9.1 Defendants agree to make the full Cash Payment of \$2.35 million on or before five business days after the Preliminary Approval Date, payable to the Settlement Fund, c/o JPMorgan Chase Bank NA, deposited into the escrow account established in accordance with section 9.6 below, and paid out in accordance with section 9.2 below. Subject to the provisions of section 8.4 above, any interest earned on the Cash Payment shall be paid to the Cash Fund and the Attorneys' Fees and Litigation Expenses Payment in proportion to the below-described shares of the Cash Payment.

9.2 The Cash Payment shall cover all monetary obligations owed by Defendants under the Settlement and, once paid in full, shall release Defendants from any and all payment obligations under the Settlement. The Cash Payment shall be used to pay the following items:

9.2.1 A non-reversionary Class Fund of \$545,000, all of which shall be paid by the Administrator to Eligible Class Members after deduction and payment of (i) the Administration Expenses (not to exceed \$55,000), and (ii) service awards to the Named Plaintiffs approved by the Court (capped at a total of \$5,000).

9.2.2 The Attorney Fees and Litigation Expenses Payment to Class Counsel in the amount of \$1.805 million, unless a lower amount is ordered by the Court. If the Court orders lower amounts for the Attorney Fees and Litigation Expenses Payment or the service payments, any difference shall revert to the Class Fund. If the Administration Expenses exceed \$55,000, they shall be paid out of the Attorney Fees and Litigation Expenses Payment. If the Administration Expenses are less than \$55,000, any difference shall revert to the Class Fund.

9.2.3 Within five business days of the Preliminary Approval Date, the Parties shall instruct the Escrow Agent to pay \$35,000 from the Settlement Fund to the Administrator for the initial payment of the Administrative Expenses. The balance of the Administrative Expenses shall be paid to the Administrator within five business days of the Effective Date.

9.2.4 Within five business days of the Effective Date, the Parties shall instruct the Escrow Agent to make the following payments, with any proportional interest earned thereon: (a) the Attorney Fees and Litigation Expenses Payment to Class Counsel; (b) the service awards to the Named Plaintiffs, and (c) the Class Fund to the Administrator for distribution to Class Members. The Escrow Agent shall provide confirmation that such payments have been made to Class Counsel, Defense Counsel and the Administrator.

9.3 The Class Fund shall be distributed to all Eligible Class Members in accordance with a formula proposed by Plaintiffs and approved by the Court, subject to the following provisions:

9.3.1 In order to obtain a settlement check, Class Members must timely submit to the Administrator: (a) a completed and valid Claim Form; and, (b) any IRS forms believed to be necessary by the Administrator. Class Members who fail to provide any requested tax documentation will forfeit their right to receive a settlement check, which payment shall revert to the Class Fund and be distributed in accordance with this section.

9.3.2 If there are multiple Eligible Class Members in a Household who file valid Claim Forms, the settlement check shall be divided equally based on the number of Eligible Class Members in the Household, unless all such Eligible Class Members provide the Administrator with written instructions for a different allocation. By way of illustration only, if there are two Eligible Class Members in a Household and each submits a Claim Form, a settlement check of \$200 would be divided equally between the two Eligible Class Members in the Household, such that each Eligible Class Member in this Household would receive \$100. Notwithstanding the foregoing, if the multiple Eligible Class Members in a Household are spouses, the couple may jointly submit a Claim Form to obtain a single settlement check.

9.3.3 Defendants shall not have standing to challenge any claim submitted by a Participating Class Member; provided that, Defendants and Class Counsel shall be entitled to provide information to the Administrator concerning submitted claims to ensure prompt and accurate claim processing.

9.3.4 If there are multiple Class Members in a Household, and less than all such Class Members timely submit Claim Forms, the Administrator shall make the settlement payment owed for the unit in question to the Class Member(s) that submitted Claim Forms, unless the Administrator reasonably believes the circumstances warrant some other allocation of the settlement payment.

9.3.5 The Administrator shall allocate an appropriate portion of the Class Fund not to exceed \$10,000 to a reserve fund used to address late or deficient claims which are later cured, or other circumstances in the claims process where, in the discretion of the Administrator, payment is warranted to Eligible Class Members. If any monies remain in the reserve fund after the settlement distribution process has been completed, as reasonably determined by the

Administrator, the remaining reserve funds shall be distributed (subject to Court approval) to a cy pres recipient mutually agreed to by the Parties, or if no agreement is reached, a qualified recipient selected by the Court.

9.4 Settlement checks must be cashed within 120 days of their mailing date. The Administrator shall undertake reasonable steps to inquire as to the status of checks not cashed within the 120 days, by providing reminder notices of the cashing deadline. For settlement checks not cashed within the 120-day period, the Administrator shall cause the check to be voided and subject to a stop payment order; provided that, for settlement checks returned as undeliverable within the 120-day period, the Administrator shall first attempt to locate an updated address in accordance with section 4.5 above and, if an updated address is located, reissue the settlement check. If no such updated address is found, the settlement check shall be cancelled. Within five business days after all settlement checks have been cashed or cancelled, the Administrator shall issue a payment to Willmark from the Class Fund in an amount equal to all checks cancelled in accordance with this section. Class Members who fail to timely cash their settlement checks (or if applicable, reissued settlement checks) shall be deemed to have waived irrevocably any right in or claim to their portion of the Class Fund, but the Agreement nevertheless will be binding upon them. Except as expressly provided in this section, the Settlement is non-recapture, and non-reversionary, and the distribution plan will be structured to award the entire Class Fund, including interest, after deductions identified above, to Participating Class Members who timely file valid claims.

9.5 Neither this Settlement nor timely payment of the Cash Payment shall be contingent upon insurance coverage, insurance payments or the timeliness of any insurance payments. Defendants' obligations under this Agreement are their obligations.

9.6 The Cash Payment shall be deposited into an interest bearing escrow account in accordance with the Escrow Instructions that shall be treated as a "qualified settlement fund" within the meaning of Treas. Reg. §1.468B-1. The Parties, the Administrator and the Escrow Agent further agree that this "Cash Payment Account" shall be established pursuant to the Court's subject matter jurisdiction within the meaning of Treas. Reg. §1.468B-1(c)(1). For the purpose of §1.468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the "administrator" (as defined in Treas. Reg. §1.468B-2(k)(3)) shall be the Administrator and/or the Escrow Agent. The Administrator shall timely and properly file all informational and other federal, state, or local tax returns necessary or advisable with respect to the earnings on the Cash Payment Account. All taxes (including any estimated taxes, interest, or penalties) on the income earned by the Cash Payment Account shall be paid out of the Cash Payment Account. The Defendant Released Parties and their counsel shall have no liability or responsibility whatsoever for any such taxes, interest, penalties or expenses. The Escrow Agent and Administrator, through the Settlement Fund, shall indemnify and hold each of the Defendant Released Parties and their counsel harmless for any such taxes, interest, penalties or expenses. The Parties and their counsel agree to cooperate with the Escrow Agent and the Administrator to the extent reasonably necessary to carry out the provisions of this section.

## **10. Release of Defendants' Claims.**

10.1 In addition to the Cash Payment, as good and valuable consideration, the sufficiency of which is hereby acknowledged, Defendants agree to waive and release any Defendants' Claims they hold against all Participating Class Members.

10.2 Defendants estimate that the total dollar amount of the Defendants' Claims is approximately \$2.4 million.

10.3 Within ten business days after the Effective Date, Willmark will notify all applicable reporting or collecting agencies of the final settlement approval, provide a list of Participating Class Members, and request in writing that such agencies remove negative information about these Participating Class Members' debts related to the Defendants' Claims. During the period between the Preliminary Approval Order and the Effective Date, Willmark will not take steps to collect any of these accounts, and will advise those acting for it to do the same.

10.4 The Parties agree that Defendants' release of the Defendants' Claims is part of a compromise settlement of disputed claims by the Parties herein. Accordingly, the Parties will not take affirmative steps to classify the release of the Defendants' Claims as proceeds subject to taxation; provided that, nothing herein shall preclude Defendants from complying with all applicable laws or regulations. Defendants make no representations or warranties about the Participating Class Members' local, state or federal tax obligations, if any.

10.5 Defendants make no representations as to the tax treatment or legal effect of any payments or releases made under this Agreement. Named Plaintiffs and Participating Class Members shall be solely responsible for the payment of any taxes assessed on the payments and releases described in this Agreement.

#### **11. Additional Consideration.**

11.1 Willmark has already taken, and will continue to take, all reasonable efforts to ensure that all Willmark managed residential communities in the State of California are in compliance with applicable statutes, including Civil Code section 1950.5. At a minimum, Willmark shall: (i) provide departing tenants who are charged \$125 or more for cleaning or repairs done by third party vendors with receipts or invoices from the party doing the work, either within 21 days of the end of the tenancy, or within 14 days of receipt of the documentation from the third party, whichever is later; (ii) desist deducting from the tenant's security deposit a rental concession chargeback (as that term has been used at Willmark during the Class Period); and (iii) desist deducting from the tenant's security deposit for rent that is not yet due, or late fees on rent that is not due (sometimes called "accelerated rent" during the Class Period); provided that, if any provision of Civil Code section 1950.5 or any other applicable statute is changed, clarified or otherwise modified through statute, regulation or case law, Willmark shall comply with the applicable provision as changed, clarified or otherwise modified. Within ten calendar days of the six month and 18 month anniversary dates of the Final Approval Date, Willmark will provide a report to the Court, with copies to Class Counsel, confirming that the compliance oversight remained in effect throughout the reporting period and that Willmark policies and practices are, as of that date, in compliance with Section 1950.5. On the 18 month anniversary of the Final Approval Date, all of Willmark's obligations under this section 11.1 shall expire.

11.2 Willmark will not pursue further appellate efforts concerning the decision of the Fourth District Court of Appeal issued on October 20, 2017. Class Members who are subject to the curative notice order issued by the trial court shall be given the opportunity to rescind their settlement agreements and participate in this Settlement, provided they return all consideration previously paid by Defendants.

**12. Attorneys' Fees, Litigation Expenses and Service Awards.**

12.1 Defendants agree not to oppose or comment unfavorably to the Court on Class Counsel's request for approval of attorneys' fees and litigation expenses actually incurred not to exceed \$1.805 million.

12.2 An order of the Court declining to award attorneys' fees and litigation expenses of \$1.805 million shall not impact the other terms and conditions of this Agreement, except as provided in section 9.2.3 of this Agreement, and regardless of whether such order is appealed by an objector or by Class Counsel.

12.3 Class Counsel's request for approval of attorneys' fees and litigation expenses and service awards to the Named Plaintiffs (whether included in the motion seeking final settlement approval or filed as a separate motion) shall be filed no later than 45 calendar days after the Class Notice Date, and shall be heard at the time of the Final Approval Hearing by the Court.

12.4 Defendants agree not to oppose Plaintiffs' application for service awards, which shall not exceed a total \$5,000 for all Named Plaintiffs. Any service awards shall be in addition to any settlement check to which each Named Plaintiff may be entitled.

12.5 Any challenges, order, or proceeding related to the Attorneys' Fees and Litigation Expenses Payment, or the service awards, or any appeal, reversal or modification of the Attorneys' Fees and Litigation Expenses Payment, or the service awards, shall not operate to terminate, cancel or delay the implementation of this Agreement, or the finality of the Final Approval Order. Without limitation, if the Court declines to approve the full amount of requested Attorneys' Fees and Litigation Expenses Payment, or service awards, and a motion for reconsideration or appeal is pending, the Administrator shall nevertheless proceed to distribute the Class Fund only to Eligible Class Members in accordance with section 9 above, and if necessary, make a second distribution of any additional funds from the Attorneys' Fees and Litigation Expenses Payment after all proceedings related to fees and expenses are final.

**13. Settlement Administration.**

13.1 The Parties shall nominate Gilardi and Co., LLC to serve as the Administrator, subject to Court approval.

13.2 In addition to the duties set forth elsewhere in this Agreement, the Administrator shall be authorized to undertake all tasks and duties that are reasonably necessary to carry out the claims administration provisions of this Agreement, including without limitation:

13.2.1 processing of Claim Forms;

13.2.2 issuing settlement checks from the Class Fund to Eligible Class Members;

13.2.3 communicating with Class Members regarding the claims administration process; and

13.2.4 obtaining completed IRS W-9 forms, as deemed necessary by the Administrator, for payments made to Class Members, Named Plaintiffs and Class Counsel in compliance with IRS rules and regulations and perform other activities necessary to comply with tax laws and regulations.

13.3 The Claim Bar Deadline shall be 60 calendar days after the Class Notice Date.

13.4 The Administrator shall establish and implement appropriate and reasonable procedures for: (a) determining that a person submitting a Claim Form is an Eligible Class Member; (b) processing submitted Claim Forms; (c) ensuring an acceptable level of reliability and quality control in the processing of Claim Forms; and (d) avoiding payment with respect to any fraudulent or unsupported Claim Form.

13.5 The Administrator shall make an initial determination that the submitted Claim Form has been timely mailed (as determined by the postmark date) or timely uploaded and submitted online at the website, signed and properly completed. If a Claim Form submitted by a Class Member is timely, but includes a curable deficiency, the Class Member shall be given the opportunity to correct the Claim Form within 20 days of written notice of deficiency from the Administrator.

13.6 The Administrator shall provide all Counsel with timely written reports as to completion of Class Notice, status of claims accepted, rejected or deemed deficient, any objections or other questions from Class Members and any other pertinent information regarding Class Notice and claims administration.

#### **14. Release Provisions.**

14.1 Upon the Effective Date, each and every Named Plaintiff, and each Participating Class Member, on behalf of themselves, and their respective predecessors, successors, heirs, assigns, shall be deemed to have, and by operation of the Final Approval Order, shall have, fully, finally, and forever released, relinquished and discharged all Released Claims against the Defendant Released Parties, whether or not any individual Class Member executes and delivers a Claim Form.

14.2 Each Named Plaintiff and each Participating Class Member, on behalf of themselves, and their respective predecessors, successors, heirs, assigns, shall be barred and enjoined from initiating, asserting or prosecuting any of the Released Claims against any of the Defendant Released Parties.

14.3 Upon the Effective Date, Defendants, and each of them, and each of their past and present officers, trustees, directors, shareholders, subsidiaries, parents, affiliates, alter egos, joint ventures, partners, partnerships, members, limited liability companies, companies, divisions, representatives, employees, agents, attorneys, insurers, vendors, predecessors, successors and assigns, shall be deemed to and do hereby release and forever discharge Plaintiffs, Participating Class Members and Class Counsel from any claim arising from or related to the prosecution or settlement of the Action, including without limitation, any claim for malicious prosecution or abuse of process, and as to Participating Class Members, any Defendants' Claim.

14.4 With respect to any and all claims released herein, for good and valuable consideration, all Parties shall be deemed to have, and by operation of the Final Approval Order, shall have, fully, finally, and forever expressly waived and relinquished, to the fullest extent permitted by law, any and all provisions, rights and benefits of Section 1542 of the Civil Code and any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or principle of common law that is similar, comparable or equivalent to Section 1542 of the Civil Code, which provides:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.**

The waiver herein shall apply even if facts are later discovered that are different from or in addition to those which are now known or believe to be true with respect to the matters released herein.

14.5 This Agreement shall constitute a full and complete defense to, and may be used as a basis for, a permanent injunction against any such action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of this Agreement.

#### **15. Dismissals and Final Judgment.**

15.1 Upon full payment of the Cash Payment, all Defendants (except for Willmark only) shall be dismissed without prejudice from the lawsuit. Class Counsel shall file a notice of dismissal within two business days of the full Cash Payment. If there is no Effective Date, or if the Settlement is terminated in accordance with the terms of this Agreement, then any Defendant dismissed without prejudice: (i) will be rejoined by notice to their counsel of record, without the need of a new complaint or service of process; and (ii) the statute of limitations as to any such Defendant will be deemed to have been tolled during the period in which such Defendant has been dismissed.

15.2 At the Final Approval Hearing, the Parties shall seek a final Judgment in a form substantially similar to that attached as Exhibit 5 hereto. Upon the Effective Date, such Judgment shall be final, binding and with prejudice as against any and all of the Named Plaintiffs and Participating Class Members and against all Defendants.

#### **16. No Admission of Liability.**

The Parties agree that this Agreement is intended to compromise disputed allegations and claims and that this Agreement is entered into for settlement purposes only. Neither the fact of, nor any provision contained in this Agreement or its attachments, nor any action taken hereunder, shall constitute, be construed as or be admissible in evidence as any admission or concession with respect to any allegation of any wrongdoing, fault, violation of law or liability of any kind on the part of Defendants, alleged in the Action. By agreeing to this Settlement, Defendants do not concede or agree that this Action could be properly brought as and/or maintained as a class action and reserve all rights to oppose certification of a class if this Settlement is not approved or the Agreement is otherwise rescinded. Nothing stated in this section, however, shall preclude any Party from seeking to introduce the terms of this Agreement in any proceeding to enforce the Agreement.

**17. Statements to Third Parties.**

17.1 With the sole exception of the Class Notice, neither Plaintiffs, Class Counsel, Defendants or Defense Counsel, or any person acting for Plaintiffs, Class Counsel, Defendants or Defense Counsel, shall directly or indirectly issue any press release, hold any press conference, make any posting on any website, initiate any contact with any members of the news or other media, including, but not limited to, any radio or television stations, newspapers or magazines, nor shall they participate in, authorize, or encourage any such actions by any third parties, regarding the Action or this Settlement; provided that, Class Counsel may answer questions put to them by the media (with no prompting or other encouragement by Class Counsel or their surrogates), but in responding to such questions will make no statements beyond those set forth in this Agreement. None of the above-referenced Parties, counsel or persons shall make statements or place material regarding the Action or this Settlement on Facebook, Twitter or any other social media or website; provided that, Class Counsel may state on their existing website, [www.willmarklawsuit.com](http://www.willmarklawsuit.com), that the case has been settled favorably and provide links to the Class Notice and the settlement website established by the Administrator, so that Class Members can be advised of the basic terms of the Settlement, the likely timing of Class Notice and other events relevant to the settlement process.

17.2 Nothing in this Agreement prohibits or otherwise limits Class Counsel or Defendants from making any and all disclosures regarding this Settlement that may be required for regulatory reasons, including, without limitation, quarterly and annual filings and insurer, accountant or lender disclosures, prior to and following the execution of this Agreement and/or final approval of this Settlement.

17.3 Nothing in this Agreement shall preclude Defendants from offering to provide additional payments or concessions (over and above that provided for in this Agreement) to Class Members, for no consideration beyond the Releases provided herein, if Defendants at their sole discretion chose to do so, outside and separate from the settlement process.

17.4 If one side (or their counsel) violate the provisions of section 17.1, the opposing side shall be released from their obligations under that section.

**18. Exclusive Remedy and Continuing Jurisdiction of the Court.**

18.1 Except as otherwise provided herein, this Agreement shall be the sole and exclusive remedy for any and all Released Claims of all Participating Class Members.

18.2 Pursuant to Rule 3.769(h) of the California Rules of Court and California Code of Civil Procedure section 664.6, the Court shall retain exclusive and continuing jurisdiction over the Action, all Parties, and Participating Class Members to enforce the Agreement and/or any orders entered pursuant to this Settlement. The Parties agree they will seek assistance from James Roberts, or another mediator agreed to by the Parties, before seeking assistance from the Court in the event of a dispute regarding the terms of the Agreement.

**19. Binding Effect.**

This Agreement shall inure to the benefit of and be binding on Plaintiffs, Participating Class Members, Defendants, the Defendant Released Parties, and any corporation, partnership, or other entity into which any of the Parties or Defendant Released Parties may merge, consolidate, or reorganize, and each of them.

**20. Consent.**

Each Party has carefully read and understands this Agreement and has received independent legal advice with respect to the Agreement. Prior to the execution of this Agreement, each Party's attorney reviewed and executed the Agreement after independent investigation and without fraud, duress, or undue influence.

**21. Warranty of Authority.**

Each signatory below warrants and represents that he or she is competent and authorized to enter into this Agreement on behalf of the person or entity for which he or she purports to sign.

**22. No Prior Assignments.**

The Parties represent, covenant, and warrant that they have not directly or indirectly assigned or transferred to any person or entity any portion of any liability, claim, demand, action, cause of action, or right herein released and discharged, nor purported to do so, except as set forth herein.

**23. Interpretation of Agreement.**

This Agreement is the product of negotiation and preparation by and among Class Counsel and Defendants and their respective attorneys. Neither this Agreement nor any provision hereof shall be deemed prepared or drafted by one Party or another, or its attorneys, and shall not be construed more strongly against any Party.

**24. Governing Law.**

This Agreement is made and entered into in the State of California and shall in all respects be interpreted, enforced and governed by and under the laws of the State of California, without reference to its choice of law rules. Any action to enforce the provisions of this Agreement shall be commenced in the California Superior Court for the County of San Diego.

**25. No Oral Modification and Integration Clause.**

This Agreement contains the entire agreement among the Parties with respect to its subject matter and supersedes all prior agreements, representations, or understandings. There are no oral understandings, statements, provisions, or inducements made by the Parties except as stated herein. Any modification or amendment of this Agreement, or additional obligation assumed by any Party in connection with this Agreement, will be effective only if placed in writing and signed by each Party or by authorized representatives of each Party, and approved by the Court. No provision of this Agreement can be changed, altered, modified, or waived except by an executed writing by the Parties or their counsel.

**26. Severability.**

The Parties agree that should any provision of this Agreement, or any portion of any provision, be declared or determined by any court of competent jurisdiction to be illegal, invalid or unenforceable, the remainder of the provision and/or the Agreement shall nonetheless remain binding and in effect, unless this would result in a substantial failure of consideration.

**27. Counterparts.**

This Agreement may be executed in counterparts, and as so executed shall be binding upon all Parties hereto, notwithstanding that the signatures of all Parties' designated representatives do not appear on the same page. Facsimile or email signature pages shall have the same force and effect as original signatures.

**28. Captions.**

Section titles or captions contained herein are inserted as a matter of convenience and for reference only and in no way interpret, define, limit, extend, or describe the scope of this Agreement or any provision thereof.

**29. No Waiver.**

The failure of any Party to insist upon the performance of any of the terms and conditions in this Agreement, or the failure to prosecute any breach of any of the terms and conditions of this Agreement, will not be construed thereafter as a waiver of any such terms or conditions. This entire Agreement will remain in full force and effect as if no such forbearance or failure of performance had occurred.

**30. Deadlines.**

If any deadline referenced in this Agreement falls on a Sunday or holiday, the deadline shall be the first business day thereafter, unless otherwise specifically provided for in the Agreement.

IN WITNESS WHEREOF, each Party has executed this Agreement as of the date(s) indicated below, with the most recent date constituting the date of this Agreement.

## LONG FORM NOTICE OF CLASS ACTION SETTLEMENT

*Miller et al. v. Willmark Communities, Inc., et al. Case No. BC480931*

**If you leased an apartment unit at a Willmark Property and moved out of your apartment unit between May 26, 2011 and June 30, 2016, this class action settlement may benefit you and affect your rights. The Willmark Properties covered by this Notice include Alpine Woods Apartments, Creekside Meadows Apartments, La Jolla Nobel Apartments, North Park Apartments, Rancho Hillside Apartments, Prominence Apartments, Shadowridge Apartments, and La Jolla Del Rey/Town Park Villas.**

This Notice provides you with a brief description of the lawsuit and proposed settlement. More information and key documents related to the settlement can be found at [insert website address set up by Administrator.]

### WHAT IS THIS LAWSUIT ABOUT?

In this class action lawsuit, Jill Miller and others bringing the lawsuit (called “Representative Plaintiffs”) allege that Willmark Communities, Inc. and other entities or persons (called “Defendants”) violated California Civil Code section 1950.5 and other laws by improperly administering tenant security deposits, imposing improper move-out charges and reporting alleged debts to credit agencies.

Defendants deny these allegations, deny any wrongdoing and maintain that they fully complied with the law. By entering into this settlement, Defendants in no way admit any violation of law or any liability whatsoever. The Court has not yet determined who is correct. The Parties reached a settlement to avoid the time, uncertainty, and expense of further litigation.

The Parties are settling this lawsuit as a class action. In a class action, one or more persons (such as the Representative Plaintiffs here), seek to assert claims on behalf of a group of people who have similar claims. These people are called the Class or the Class Members. If the Court decides the Class Members are similar enough, it resolves the claims for everyone in the Class, except those who choose to exclude themselves. The Court has not yet decided whether this case could proceed and be tried as a litigation class action, but the Parties have agreed after three years of litigation that the case may be settled as a class action.

On \_\_\_\_\_, 2018, the Court preliminarily approved a proposed settlement of this lawsuit as set forth in the Settlement Agreement and Release (“Agreement”). In addition, the Court approved certification of the Settlement Class defined as follows:

All persons who were identified as a lessee, co-lessee or signer on a lease agreement or Final Account Statement at any Willmark Property and (i) moved out of his, her or their rental unit on any date from May 26, 2011 through and including June 30, 2016; or (ii) received a Final Account Statement pertaining to a tenancy at a Willmark Property that terminated on any date from May 26, 2011 through and including June 30, 2016. The following are excluded from the Settlement Class: (i) the judge assigned to this case and his staff; (ii) Defendants and their affiliates; and (iii) any person employed by any Defendant during the Class Period.

If you meet this definition, you are a Class Member. Minors or any other persons not listed as lessees, co-lessees or signers on a Willmark Property lease or Final Account Statement are not Class Members.

Unless you exclude yourself from the settlement, you will get relief from debts to Defendants related to your tenancy as provided in the Agreement. Also, if you timely submit a Claim Form (as explained below), you will be eligible to recover money. If you exclude yourself from the Settlement, you will not recover money or get debt relief, but you may pursue whatever claims you may have against Defendants. Whether or not you submit a Claim Form, your right to sue Defendants will be affected by this settlement unless you exclude yourself, so please read this notice carefully.

If the Court approves the settlement at the Final Approval Hearing on \_\_\_\_\_ at \_\_\_\_\_ it will bind all Class Members who have not excluded themselves. If the Court does not approve the Settlement, the litigation will continue.

### **THE SETTLEMENT**

The settlement provides that Defendants will, subject to Court approval: (1) waive approximately \$2.4 million in claims against Class Members, (2) provide a fund of approximately \$550,000 which will go, after payment of certain administrative expenses, to Class Members who submit valid claims; and (3) provide approximately \$1,805,000 as payment of Class Counsel's attorneys' fees and litigation expenses

Additionally, Defendants have already changed certain practices relating to tenant security deposits, and will make additional changes beneficial to current residents. Among other things, Defendants will provide vendor invoices to support repair and cleaning work done by third parties in excess of \$125.

In exchange for all of these benefits, Class Members who do not exclude themselves from the Class will waive all claims against Defendants relating to their tenancy except any claims for bodily injury caused by physical harm not otherwise encompassed by or related to the Released Claims.

All Class Members who do not exclude themselves will get the benefits of the waiver of debt. Only Class Members who submit a valid Claim Form (who are referred to herein as "Eligible Class Members") will be eligible to receive a cash payment.

### **HOW MUCH MONEY WILL I RECEIVE?**

The specific amount of the Class Fund paid to Eligible Class Members will be proportional to the amount of their security deposit retained by Defendants. Precise amounts are unknown at this time, but our best estimate is that if every Class Member submitted a valid claim, Eligible Class Members would receive approximately 28.5% of their lost security deposit. However, it is very rare in class actions for all class members to file claims, so the amount is almost certain to be larger. No deduction will be made from these recoveries for attorneys' fees or lawyers' expenses because that is being paid separately by Defendants. If the Defendants did not retain any portion of your security deposit, you will not be eligible to receive a cash payment, but you would still get debt relief if you have debts to Defendants related to your tenancy.

If you lived in an Eligible Household with more than one Class Member, each Lessee may choose to exclude himself or herself, and each Lessee may claim separately and share the recovery. All such Lessees will obtain the debt relief. Thus, if you lived with another person and both of you were Lessees, a cash payment of \$500 owed for that unit would be divided equally between you and the other tenant at \$250 apiece. However, if you lived in the apartment, but were not listed as a lessee, co-lessee or signer on the lease or final account statement, you are not a Class Member.

### **I AM ELIGIBLE. HOW DO I CLAIM MY MONEY?**

To receive money from the settlement, you **must** submit a valid Claim Form by \_\_\_\_\_, 2018 [and a completed W-9 Form if required.] You may submit your signed claim (and any other materials required by the Settlement Administrator) by mail, postmarked by \_\_\_\_\_, 2018 or by uploading and submitting a completed Claim Form (and other materials if required) at the [insert website address by Administrator] by \_\_\_\_\_, 2018.

### **WHAT HAPPENS IF I DO NOTHING?**

If you do nothing, you will get the debt relief provided for by the settlement, if applicable to you, but will not be able to recover money and you will be bound by the Release described below.

### **HOW DOES THE SETTLEMENT RELEASE AFFECT MY RIGHTS?**

The Settlement will release any and all claims you may have relating to your tenancy against all Defendants other than claims for bodily injury caused by physical harm not otherwise encompassed by or related to the Released Claims. The precise terms of the release are in the Settlement Agreement posted at \_\_\_\_\_[insert website address set up by Administrator].

### **CAN I EXCLUDE MYSELF FROM THE SETTLEMENT?**

Yes. To exclude yourself from the settlement, you must mail the Settlement Administrator a statement requesting to be excluded by \_\_\_\_\_, **2018**. Requests for exclusion must be in writing and must include your full name and mailing address. If you exclude yourself, you will not receive any money or debt relief from the settlement, and both you and Defendants will retain any claims you may have against each other.

If you lived in a Household with other Lessees, each Lessee may decide whether to exclude himself or herself from the settlement and each must submit a written exclusion. If there are two Lessees and only one excludes himself or herself, the other will be entitled to recover 50% of any settlement check available to that unit and will get debt relief, unless both lessees agree in writing that the money should be divided differently.

### **CAN I OBJECT TO THE SETTLEMENT?**

Yes. To object to the settlement, not later than \_\_\_\_\_, **2018**, you must file a written statement of your objection with the Court and serve Class Counsel and Defense Counsel at the addresses listed on [insert website address set up by Administrator]. Objections should include your full name, mailing address, telephone number, unit you lived in, approximate date of move-out, and reason(s) for objecting to the settlement. You will still be a member of the Class, and will be treated like other Class Members if the settlement is approved. Thus, even if you object, you must file a timely Claim Form or you will not receive any money from the settlement if approved. Multiple Class Members for the same unit may make their own decision about objecting to the settlement. A Class Member who excludes himself or herself from the settlement cannot also object to the settlement.

### **WHAT ABOUT PAYMENT OF ATTORNEYS' FEES?**

Several law firms have been pursuing this class action since 2015 and have devoted substantial resources to the case. The Court has appointed the Law Offices of Jimmie Davis Parker, the Law Offices of Leonard B. Simon P.C., Casey Gerry Schenk Francavilla Blatt and Penfield, LLP, Shaun Martin, and Phillips Erlewine and Given to serve as Class Counsel. Under the settlement, you will not pay any portion of their fees or litigation expenses out of your recovery, or otherwise. Rather, Defendants have agreed to pay up to \$1.805 million to Class Counsel for attorneys' fees and reimbursement of litigation expenses incurred in prosecuting the Action, provided the Court approves those amounts as reasonable. Class Counsel would have sought substantially more in Attorneys' Fees if the case went to trial.

#### WHAT ABOUT THE TENANTS WHO BROUGHT THE CASE?

Representative Plaintiffs Jill Miller, Paul Miller, Georgia Gephardt, and Benjamin Richter have served to represent the Class Members in this case for several years, and the Court has appointed them as Class Representatives. Because they have spent time and effort on this matter, and have had their depositions taken, Class Counsel will ask the Court to approve a service award of up to \$5,000 each (one combined award for Mr. and Mrs. Miller), at the discretion of the Court, to compensate them for their efforts, subject to Court approval.

#### WHEN AND WHERE IS THE FINAL APPROVAL HEARING?

The Court will hold a Final Approval Hearing on \_\_\_\_\_, 2018 at \_\_\_\_\_ p.m. at the San Diego Superior Court, Department C-66, 330 West Broadway, San Diego, CA 92101. At that time, the Court will determine: whether the settlement, including the attorneys' fees, expenses and Service Awards, is fair, reasonable, and adequate, and should be approved. The hearing date and time may change so you should check [insert website address set up by Administrator], or contact the Settlement Administrator if you plan to attend.

**The Final Approval Hearing** is a public hearing and you are entitled to attend if you wish, but there is no requirement that you attend. You do not need to attend if you want to get a settlement check or debt relief. Nor do you need to attend if you wish to exclude yourself or to object. However, if you do object to any part of the settlement, including the attorneys' fees and expenses, you must file a timely written objection, and if you do so, you may also address the Court at the Final Approval Hearing.

#### ARE MORE DETAILS AVAILABLE?

Yes. You can find more information and key documents related to the case and the settlement at \_\_\_\_\_ [insert website address set up by Administrator]. You may also contact Class Counsel or the Settlement Administrator at the numbers or email listed below to obtain additional information. But if you wish to file a claim, object, or exclude yourself from the settlement, you must do so in writing prior to the deadline above.

Cross-Complainants,

v.

JILL MILLER and PAUL MILLER,

Cross-Defendants.

1 Plaintiffs' Motion for Preliminary Approval of Class Action Settlement, which included a  
2 request for provisional certification of the proposed Settlement Class, approval of the form and  
3 manner of Class Notice, approval of the procedures and deadlines for asserting objections to or  
4 requesting exclusion, and a Final Approval Hearing, was filed with the Court on **DATE** and came  
5 on hearing on **DATE**. The Court has considered the Parties' Settlement Agreement and Release  
6 ("Agreement") and supporting Exhibits, the unopposed Motion for Preliminary Approval of Class  
7 Action Settlement, as well as the Memorandum of Points and Authorities and declarations filed in  
8 support thereof.

9 **IT IS HEREBY ORDERED THAT:**

10 1. This Order incorporates by reference the definitions in the Agreement.

11 2. The Court hereby preliminarily approves the Agreement. The Court preliminarily  
12 finds the proposed settlement, including the distribution formula described in Plaintiffs' motion  
13 for determining settlement payments to Class Members, is fair, reasonable, and adequate. The  
14 Court further finds that the settlement has been reached through arm's length, non-collusive  
15 bargaining.

16 3. Pursuant to Code of Civil Procedure section 382, the following Settlement Class is  
17 provisionally certified for settlement purposes only:

18 All persons who were identified as a lessee, co-lessee or signer on a lease agreement or  
19 Final Account Statement at any Willmark Property and (i) moved out of his, her or their  
20 rental unit on any date from May 26, 2011 through and including June 30, 2016; or (ii)  
21 received a Final Account Statement pertaining to a tenancy at a Willmark Property that  
22 terminated on any date from May 26, 2011 through and including June 30, 2016.<sup>1</sup>

23 The following are excluded from the Settlement Class: (i) the judge assigned to this case  
24 and his staff; (ii) Defendants; and (iii) Defendants' affiliates and employees.

---

25  
26 <sup>1</sup> As defined in the Agreement, the term "Willmark Property" means any apartment building at any  
27 of the following communities: Alpine Woods Apartments, Creekside Meadows Apartments, La  
28 Jolla Nobel Apartments, North Park Apartments, Rancho Hillside Apartments, Prominence  
Apartments, Shadowridge Apartments, and La Jolla Del Rey/Town Park Villas. "Willmark  
Properties" means all of the above-referenced communities.

1           4.       The Settlement Class meets all requirements of Code of Civil Procedure 382, for  
2 purposes of settlement of the Action only, including: (a) numerosity; (b) commonality; (c)  
3 typicality; (d) adequacy of the Representative Plaintiffs and Class Counsel; (e) predominance of  
4 common questions of fact and law; and (f) superiority.

5           5.       Plaintiffs Jill Miller, Paul Miller, Georgia Gephardt, and Benjamin Richter are  
6 appointed as the Settlement Class Representatives, and their counsel, the Law Offices of Jimmie  
7 Davis Parker, the Law Offices of Leonard B. Simon P.C., Casey, Gerry Schenk Francavilla Blatt  
8 & Penfield LLP, and Phillips Erlewine and Given are appointed Class Counsel for the Settlement  
9 Class.

10          6.       A Final Approval Hearing shall be held on \_\_\_\_\_  
11 in Department \_\_\_\_\_ of San Diego Superior Court, located at 330 West Broadway, San Diego,  
12 CA 92101, to determine all necessary matters concerning the Agreement, including whether the  
13 proposed settlement of the action on the terms and conditions provided for in the Agreement is  
14 fair, adequate, and reasonable and should be finally approved by the Court. The motion for final  
15 approval shall be filed and served by \_\_\_\_\_. Any opposition briefing filed and served by  
16 \_\_\_\_\_ and reply briefing filed and served by \_\_\_\_\_. The Court may continue the Final  
17 Approval Hearing without further notice to the Settlement Class except through posting on the  
18 Administrator's website.

19          7.       The Court appoints Gilardi & Co., LLC as the third party settlement administrator  
20 ("Administrator"). The costs of settlement administration and Class Notice, including reasonable  
21 costs incurred to identify Class Members, shall be paid as set forth in the Agreement.

22          8.       The Court hereby approves, as to form and content, the Class Notice attached as  
23 Exhibit 1 to the Agreement. The Administrator is directed to provide Class Notice through the  
24 mail, publication and website notice procedures set forth in the Agreement. The Court finds that  
25 distribution of Class Notice to the Settlement Class Members in the manner and form set forth in  
26 the Agreement and this Order meets the requirements of California law, including California Rule  
27 of Court 3.769(c), complies with due process, and shall constitute due and sufficient notice to all  
28 parties entitled thereto.

1           9.       Within 20 calendar days of entry of this Order, or within 30 days of receipt of the  
2 information required by Section 4.1 of the Agreement, whichever is later, Class Counsel shall  
3 provide the Administrator with a spreadsheet listing each Class Member's last known address to  
4 the extent provided by Defendants in accordance with the Agreement.

5           10.       Within 60 calendar days of the Preliminary Approval Date, the Administrator shall  
6 mail the approved Class Notice and Claim Form to the Settlement Class. Within 7 calendar days  
7 of completion of the mailing of the Class Notice and Claim Form, the Administrator shall also  
8 arrange for publication of a summary of the content of the Class Notice in accordance with the  
9 notice plan submitted with Plaintiffs' Motion for Preliminary Approval, which plan is hereby  
10 approved. Within 7 calendar days of completion of the mailing of the Class Notice and Claim  
11 Form, the Administrator shall also post the Class Notice on the settlement website established by  
12 the Administrator.

13           11.       Eligible Class Members must submit a Claim Form as provided in the Agreement  
14 and Class Notice in order to recover money under the Agreement. Claim Forms must be  
15 postmarked or submitted on line by the Claim Bar Deadline.

16           12.       Any member of the Settlement Class may request to be excluded from the  
17 Settlement Class by following the instructions set forth in the Agreement and Class Notice.  
18 Requests for Exclusion must be postmarked within 60 calendar days after the Class Notice Date.  
19 Any person who timely and properly requests exclusion from the settlement will not be bound by  
20 the Agreement or have any right to object, appeal, or comment thereon. Requests for Exclusion  
21 must be signed by the member of the Settlement Class requesting exclusion and must otherwise  
22 comply with the requirements delineated in the Agreement and Class Notice. Settlement Class  
23 members who have not requested exclusion shall be bound by all determinations of the Court, the  
24 Agreement, and the Final Judgment, regardless of whether they have submitted a Claim Form.

25           13.       Any Settlement Class Member who has not excluded himself or herself pursuant to  
26 paragraph 12 above may object to the Agreement, and may present evidence and file briefs or  
27 other papers that may be proper and relevant to the issues to be heard and determined by the Court  
28 as provided in the Class Notice. Any objections must be postmarked within 60 calendar days after

1 the Class Notice Date. No Settlement Class member, however, shall be heard or be entitled to  
2 object, and no papers or briefs submitted by any such person shall be received or considered by the  
3 Court, unless on or before the objection response deadline the Settlement Class member, or his or  
4 her counsel, has properly filed and served their objections as provided in the Agreement and  
5 Notice. Any Settlement Class Member who does not make his or her objection in the manner  
6 provided for in the Agreement and Notice shall be deemed to have waived such objection and  
7 shall be foreclosed objecting to the settlement.

8 14. The Administrator shall provide Class Counsel and Defendants' Counsel with  
9 appropriate status updates on the mailing and the processing of Claim Forms, Requests for  
10 Exclusions, and objections.

11 15. Upon completion of the settlement administration process, the Administrator shall  
12 provide written certification of such completion, and shall provide proof of payment at the request  
13 of the Court and/or counsel for the Parties.

14 16. Pending the Final Approval Hearing, all proceedings in the action, other than those  
15 necessary to carry out the enforcement of the terms and conditions of the Agreement and this  
16 Order, are stayed. Pending final determination of whether the Settlement should be approved,  
17 neither the Plaintiffs nor any Class Member, either directly, representatively or in any other  
18 capacity shall commence or prosecute against any of the Defendant Released Parties in any action  
19 or proceeding in any court or tribunal asserting any of the Released Claims.

20 17. If, for any reason, the Agreement is not finally approved or does not become  
21 effective, this Order Granting Preliminary Approval shall be deemed vacated and shall have no  
22 force or effect whatsoever, and this action shall proceed as if no settlement has been attempted  
23 except as specifically provided in section 8.4 of the Agreement.

24 18. Any Class Member may enter an appearance in the Action, at their own expense,  
25 individually or through counsel of his or her own choice. If he or she does not enter an  
26 appearance, or submit a request for exclusion (pursuant to ¶12), or an objection (pursuant to ¶13),  
27 he or she will be represented by Class Counsel as part of the Settlement Class.

1           19.    The Parties are hereby authorized without needing further approval from the  
2 Court, to agree to and adopt modifications and expansions of the Agreement, including without  
3 limitation, the forms and procedures used in distributing settlement payments, provided that any  
4 such changes are consistent with this Order and do not limit the rights of Settlement Class  
5 members under the Agreement.

Cross-Complainants,

v.

JILL MILLER and PAUL MILLER,

Cross-Defendants.

1 Plaintiffs' Motion for Final Approval of Class Action Settlement was filed with the Court  
2 on [FILING DATE] and came on hearing on [HEARING DATE]. The Court has considered  
3 the Parties' Settlement Agreement and Release ("Agreement") and supporting Exhibits, the  
4 [unopposed] Motion for Final Approval of Class Action Settlement, as well as the Memorandum  
5 of Points and Authorities and declarations in support thereof, [and the objections filed thereto],  
6 and has heard all parties wishing to be heard orally. Having heard and considered the papers and  
7 arguments presented, and good cause appearing, the Court hereby rules and finds as follows:

8 **IT IS HEREBY ORDERED THAT:**

- 9 1. This Order incorporates by reference the definitions in the Agreement.
- 10 2. The Court has jurisdiction over the subject matter of this action and all Parties to  
11 the action, including all Settlement Class members. The Court retains jurisdiction over the Action  
12 to consider all further matters arising out of or related to the Agreement.
- 13 3. The Court finds the proposed settlement as set forth in the Agreement, including  
14 the formula for distributing settlement monies to Class Members, the payment of attorneys' fees,  
15 litigation expenses and service awards by Defendants, is fair, reasonable, and adequate. The Court  
16 specifically finds that (a) the cash payment and debt relief is a fair compromise of the controversy  
17 in this case, and (b) the attorneys' fees and expenses to be paid directly by Defendants are  
18 substantially less than Class Counsel's lodestar and a fair compromise of counsel's claim for fees  
19 and expenses; and (c) the service awards of \$1,500 per Named Plaintiff are reasonable in the  
20 circumstances.
- 21 4. The Court further finds that the Agreement and the case resolution confirmed  
22 therein has been reached through arm's length, non-collusive bargaining, with substantial  
23 assistance from an experienced mediator.
- 24 5. Notice of the pendency of this Action as a class action and of the proposed  
25 Settlement was given to all Settlement Class members who could be identified with reasonable  
26 effort. The Court finds that the form and method of the Class Notice provided in the Action were  
27 implemented in accordance with the Preliminary Approval Order and:  
28 (a) Constituted the best notice practicable under the circumstances;

1 (b) Constituted notice reasonably calculated, under the circumstances, to apprise  
2 Settlement Class members of: (i) the pendency of the Action, the terms and the effect of  
3 the proposed Settlement, including without limitation, the releases to be provided  
4 thereunder; the payment of attorneys' fees, litigation expenses and Class Representative's  
5 awards at negotiated levels subject to Court approval; (ii) their right to object to any  
6 aspect of the Settlement or exclude themselves from the Settlement Class; and (iii) their  
7 right to appear at the Final Approval Hearing;

8 (c) constituted due, adequate, and sufficient notice to all persons entitled to receive  
9 notice of the proposed Settlement; and

10 (d) satisfied the requirements of Code of Civil Procedure section 382, due process, and  
11 all other applicable laws and rules.

12 6. The settlement as embodied in the Agreement is fully and finally approved on  
13 behalf of the following Settlement Class: All persons who were identified as a lessee, co-lessee or  
14 signer on a lease agreement or Final Account Statement at any Willmark Property and (i) moved  
15 out of his, her or their rental unit on any date from May 26, 2011 through and including June 30,  
16 2016; or (ii) received a Final Account Statement pertaining to a tenancy at a Willmark Property  
17 that terminated on any date from May 26, 2011 through and including June 30, 2016.<sup>1</sup>

18 The following are excluded from the Settlement Class:

19 (i) The judge assigned to this case and his staff;

20 (ii) Defendants;

21 (iii) Defendants' affiliates and employees; and

22 (iv) The individuals listed on the attached Exhibit 1 to this Order that timely  
23 requested exclusion from the Settlement Class.

24 ///

25 \_\_\_\_\_  
26 <sup>1</sup> As defined in the Agreement, the term "Willmark Property" means any apartment building at any  
27 of the following communities: Alpine Woods Apartments, Creekside Meadows Apartments, La  
28 Jolla Nobel Apartments, North Park Apartments, Rancho Hillside Apartments, Prominence  
Apartments, Shadowridge Apartments, and La Jolla Del Rey/Town Park Villas. "Willmark  
Properties" means all of the above-referenced communities.

1           7.     The Court directs the Parties to effectuate the settlement's terms as set forth in the  
2 Agreement.

3           8.     The Agreement and this Order are not admissions of liability, fault or wrongdoing  
4 by Defendant or the Released Parties, or a finding of the validity of any claims in the Action or of  
5 any wrongdoing or violation of law by Defendant or the Defendant Released Parties. Neither this  
6 Order, nor any of its terms or provisions, nor any of the negotiations or proceedings connected  
7 with it, shall be offered as evidence or received in evidence in any pending or future civil,  
8 criminal, or administrative action or proceeding to establish any liability of, or admission by  
9 Defendant, the Defendant Released Parties, or any of them. Notwithstanding the foregoing,  
10 nothing in this Order shall be interpreted to prohibit the use of this Order in a proceeding to  
11 consummate or enforce the Agreement, or to defend against the assertion of Released Claims in  
12 any other proceeding, or as otherwise required by law.

13           9.     Each Class Member who did not request to be excluded has released all Released  
14 Claims against the Defendant Released Parties. Upon the Effective Date, each and every  
15 Settlement Class Member (excluding the persons listed on Exhibit 1 only) shall be permanently  
16 barred and enjoined from initiating, asserting and/or prosecuting any Released Claim against any  
17 Defendant Released Party in any court or any forum.

18           10.    The Named Plaintiffs and all Settlement Class members shall, as of the Effective  
19 Date, conclusively be deemed to have acknowledged that the Released Claims may include  
20 claims, rights, demands, causes of action, liabilities, suits, damages, losses or injury that are not  
21 known or suspected to exist as of the Effective Date. The Named Plaintiffs and all Settlement  
22 Class members nonetheless release all such Released Claims against all Defendant Released  
23 Parties. Further, as of the Effective Date, the Named Plaintiffs and all Settlement Class members  
24 shall be deemed to have waived any and all protections, rights and benefits of California Civil  
25 Code section 1542.

1           11.     Upon the Effective Date, Defendants, and each of them, and each of their past and  
2 present officers, trustees, directors, shareholders, subsidiaries, parents, affiliates, alter egos, joint  
3 ventures, partners, partnerships, members, limited liability companies, company divisions,  
4 representatives, employees, agents, attorneys, insurers, vendors, predecessors, successors and  
5 assigns, shall be deemed to and hereby release and forever discharge: (a) Named Plaintiffs and  
6 Participating Class Members from the Defendants' Claims as defined in the Agreement; and (b)  
7 Named Plaintiffs, Participating Class Members and Class Counsel from any claim arising from or  
8 related to the prosecution or settlement of the Action, including without limitation, any claim for  
9 malicious prosecution or abuse of process.

10           12.     Without affecting the finality of the judgment in this matter, the Court reserves  
11 jurisdiction over the implementation, administration and enforcement of the Agreement, the Final  
12 Approval Order and all matters ancillary thereto.

13           13.     The Parties are hereby authorized without needing further approval from the Court,  
14 to agree to and adopt such modifications and expansions of the Agreement, including without  
15 limitation, the forms and procedures used in distributing settlement payments, provided that any  
16 such changes are consistent with this Order and do not limit the rights of Settlement Class  
17 members under the Agreement.

18           14.     To the extent asserted, any objections to the Agreement and approval of this  
19 settlement are expressly overruled.

20           15.     All other relief not expressly granted to the Settlement Class members is denied.

21           16.     The reasonable expenses of the Administrator, including costs to identify and  
22 notify Class Members of the Agreement, and to administer the Agreement, shall be paid from the  
23 Class Fund.

1           17.     The Cash Payment, whether held in the Escrow Account established in accordance  
2 with the Agreement or transferred to the Administrator for distribution to Class Members, shall  
3 be deemed subject to the jurisdiction of the Court until such time as such funds shall be  
4 distributed pursuant to this Order, the Agreement and/or further orders of the Court. No person  
5 shall be entitled to any portion of the Cash Payment except as specifically provided in the  
6 Agreement or order of this Court.
